Free 2009 Hurricane Guides Available Starting May 26

New Smyrna Beach, Fla. – Just in time for National Hurricane Preparedness Week—May 24-30, 2009—the Utilities Commission, City of New Smyrna Beach, (UCNSB) is offering free 2009 hurricane guides starting May 26.

The pocket-sized 2009 Hurricane Preparation Guide was developed by UCNSB and features information to help residents before, during, and after a storm event.

“Knowledge is the key safety factor for storm events,” said public information manager Ellen Fisher. “The more information people have, the better prepared they will be.”

The guides will be available in the lobby of the UCNSB office at 200 Canal St. UCNSB will have additional hurricane information in the lobby and on the UCNSB Weather Center portion of the website, www.ucnsb.org.

About UCNSB:

The Utilities Commission, City of New Smyrna Beach, (UCNSB) provides electric, water, wastewater, reuse water, and Internet service in the greater New Smyrna Beach area.
