RE: ITB 3-20 Construction Crews for Electrical Distribution Maintenance
ADDENDUM No. 1

To prospective vendors:

The Utilities Commission is issuing the following addendum. As such it becomes an integral part of the proposal and must be acknowledged by the return of this signed form, with your proposal form, acknowledging receipt of the addendum:

1) Are there bonds required for this ITB and for the contract itself? Bid Bond? Performance and Payment Bonds?

No bonds will be required.

2) Will there be any type of liquidated damages associated with this contract?

No liquidated damages. Contractor is responsible for any damage caused to customers property.

3) Can you provide an estimated total value for this contract?

No guarantee can be given or implied as to the total value of the contract. Total budgeted amount is $915,000.

4) When is the estimated start date of this contract?

December 1, 2019

5) Will the work be continuous, or will this be on an as-needed basis?

The work will be continuous.

6) How many total crews is the City wanting for this contract?

Per the bid document one or more crews will be required.

7) Will the City allow exceptions to the contract?

Please note any exceptions for The Utilities Commission to consider.

ITB 03-20 Addendum No 1
8) Regarding “Description of Workload”, can you please specify exactly what type of crews you are requesting and how many? It was our understanding that it would be distribution overhead only. If you are requesting underground and transmission crews as well, please let us know.

The Utilities Commission will require one overhead distribution crew available by the contract start date. Underground and transmission crews may be requested moving forward.

9) In regard to MOT and traffic control devices, if needed we will invoice cost plus 10%.

Please note this as an exception in your bid response.

10) Our work schedule will consist of (4) ten hour days, instead of (5) eight hour days.

Please note this an exception in your bid response.
