The following question was asked:

1) What was the winning bid on the Swoope Plant?
   The Swoope Generation Plant Salvage, Demo and Decontamination was awarded to Samsula Demolition in the amount of $39,605.00

No further questions were received. However, The Utilities Commission would like to inform all prospective bidders that there are many items which will be removed from the facility prior to demolition. These items will be maintained by The Utilities Commission for further use or display as historical mementoes in a new facility which will house Utilities Commission Generation Department Employees.
Pictures and descriptions are contained as part of this addendum for your information only.

To prospective Bidders:

The Utilities Commission is issuing the following addendum. As such, it becomes an integral part of the Bid and must be acknowledged by the return of this signed form, with your Bid Form, acknowledging receipt of the addendum.
