Where the Contractor's services have been so terminated by the Utilities Commission, said termination shall not affect any rights of the Utilities Commission against the Contractor then existing or which may thereafter accrue. Any retention or payment of moneys by the Utilities Commission due the Contractor will not release the Contractor from liability.

Upon Termination for Cause, the Contractor shall not be entitled to payment for any anticipated supplemental costs, administrative expenses and/or profit for uncompleted Work.

If after notice of termination of the services of the Contractor for cause, it is determined that the Contractor was not in default, the termination shall be deemed to have been for the convenience of the Utilities Commission. Termination for Convenience: Upon seven (7) days written notice to the Contractor and the Surety, or sooner if reasonable under the circumstances, the Utilities Commission may, without cause and without prejudice to any other right or remedy, elect to terminate any part of the Work, or the Contract in whole or in part, as the Utilities Commission may deem appropriate. In any termination for convenience, the Contractor shall be paid for Work completed by the Contractor and subcontractors at the time of termination provided, however, that the payment to the Contractor will exclude any and all anticipated supplemental costs, administrative expenses and profit for uncompleted Work. The Utilities Commission during the period of time defined by the preceding sentence shall also have the right to obtain a copy of and otherwise inspect any audit made at the direction of the Contractor as concerns the aforesaid records and documentation.
